

## HAZARD SUBSTANCES AWARENESS

The purpose of this training is to provide participants with the knowledge and skills to apply the provisions of the WHS Act 2012 and WHS regulation 2012 and in the context of their work. The training provides the participant with the knowledge and skills to be able to handle and use hazardous substances safely and to prevent workplace accidents. The training aims to develop the appropriate attitudes needed to enable participants to be effectively involved in the process of hazardous substances management, including identification, assessment and control of risks.

### Course Content

- Describe the WHS Legislation, Regulations and Codes of Practice relating to the hazardous substances
- Label and Safety Data Sheet standards (16 section review)
- Describe the health and safety effects relating to the use of hazardous substances
- Participate in hazard identification, risk assessment and control as it relates to hazardous substances
- Assess risks relating to the use of hazardous substances and associated tasks in the workplace
- Control risks relating to hazardous substances and associated tasks in the workplace
- Select and use required personal protective equipment conforming to industry and WHS standards
- Hazardous chemicals register and training records

## About Us

Gramac Solutions & Gramac Training Solutions (RTO#70249) has been a locally owned and operated regional business providing recruitment, labour hire, training, consultancy services and room and office hire within the Limestone Coast region for 20 years.

Gramac Training Solutions is committed to providing supportive, flexible learning and assessment options, allowing learner alternatives which recognise the diversity of their individual needs and circumstances aiding them in their learning goals. Learner support is provided for the duration of the program, and opportunities and limitations will be discussed during enrolment.

Gramac Training Solutions will issue a Statement of Attainment within 21 calendar days of the training program being completed successfully, providing all agreed fees have been paid.

## Learners Rights

Learners who enrol in courses delivered by Gramac Training Solutions have the right to:

- A safe, clean learning environment where they are treated fairly and respectfully
- Be free from all forms of intimidation or discrimination; regardless of religious, cultural, racial and sexual difference, age, disability or socio-economic status
- Learn in an environment that is supportive with any disputes or concerns treated seriously and settled in a fair and professional manner
- Be trained and assessed by competent and knowledgeable trainers and assessors
- Access Recognition of prior learning (RPL)
- Privacy concerning records containing personal information, (subject to other statutory requirements and other agreed uses)
- Be given information about assessment procedures at the beginning of the unit and progressive results as they occur
- Lodge an appeal against an assessment decision if they feel they were treated unfairly during assessment or where they feel the assessment decision is incorrect and they have grounds for appeal
- Have the opportunity to share ideas and ask questions.

## Did you know?

Some hazardous substances produce health effects that can happen straight away like poisoning and burns, or cause long-term health conditions, like nerve damage, lung damage or cancer. Others can present a physical hazard, like fires, explosions, corrosion.

## Learners Obligations

Learners agree at all times during their enrolment period to:

- Fully participate and complete all learning and assessment activities as required, to the best of their ability
- Advise Gramac Training Solutions of absenteeism prior to the start of the training
- Provide medical certificates or evidence of extenuating circumstances in support of absenteeism
- Inform Gramac Training Solutions of any concerns or need for support related to the successful completion of the course
- Treat all staff and fellow learners with respect and do not discriminate, harass, abuse, or use threatening behaviours of any kind whether physical or verbal
- Follow required dress code including personal protective equipment and a good standard of personal hygiene
- Inform Gramac Training Solutions if personal details change
- Not to smoke in non-smoking areas
- Not to attend training or assessment sessions under the influence of alcohol or illicit drugs
- Turn off all mobile devices whilst participating in training and assessment activities
- Always follow normal and reasonable safety practices

Enrolling with Gramac Training Solutions is acknowledgement of the services available, the learner expectations, and the learner rights and obligations which are all understood and agreed to. All enrolled learners are bound by Gramac Training Solutions policies and breaches may result in suspension and/or removal from the training program.
